This is a design agreement for the purchase of a cabinet design at the Basic Design Fee price of \$250.00. A Waverly Cabinets Design Professional will enter the measurements and cabinets in the design program to provide you with the following.

Basic Design

A) Standard paperwork consisting of 1) Maximum of 3-3D renderings, 2) Floorplan and Elevations 3) Pricing with a List of Cabinets Items Included in the Design. The customer will then use this information to verify measurements and make final decisions regarding the design for functionality, aesthetics, and cost to complete a purchase. The basic design will be limited to only one room, only one cabinet manufacturer and only one design concept. Two minor revisions are allowed on Basic Design such a adding a trash, adding a drawer base, or adding an island.

B) Change and Add Ons

For any major revisions to the Basic Design, we will add \$100.00 per major revision. A major revision will include the following.

- 1) Price the same design in a differ manufacturer.
 - 2) Move any major appliance to a different wall
- Standard paperwork will follow.

C) Additional Rooms

Any rooms added to the work and are designed with four cabinets or more add \$25 per room. Standard paperwork will follow.

All fees must be paid prior to any work being started. Proper measurements, appliance model numbers and detailed room pictures must be provided before any design work can begin. Once you receive the design and accompanying paperwork you have the following options.

1) Make your Purchase from Waverly Cabinets

Notify your designer you want to move forward to finalize within five days of receiving your quote. We will provide the paperwork required for ordering. All paperwork must sign and payment in full must be made within the next five business days.

You must then sign and make you full payment within 5 business of receiving your finalized paperwork. Any design fees, addons or additional rooms paid will be applied against the purchase price of that specific room and that manufacturer if ordered. Designs, addons, rooms or major revisions purchased but not ordered will not be eligible for a refund.

The total purchase must be equal to a minimum of \$2500.00 before freight and taxes.

An additional BONUS credit equal to the **only** the basic design fee paid of 250.00 will be discounted from the final price if the order is over \$5250.00 before deduction for the additional BONUS credit of \$250.00. No other fees will be allowed against the purchase.

2)Continue to shop or consult with project decision makers for purchase and notify us later than the 5 Business days to purchase and still receive full credit for the basic design fee paid of \$250.00 for up to 6 months. The additional BONUS \$250.00 credit will not apply. Waverly Cabinets will finalize the plan and coordinate with the homeowner before ordering the cabinets. The price will go up or down as need for revisions to the design or change in door style or manufacturer.

3)Purchase from somewhere other than Waverly Cabinets.

This is a Nonrefundable purchase of a design and can only be applied against a purchase made at Waverly Cabinets. The purchase must be equal to a minimum of \$2500.00 before freight and taxes. The BONUS credit is only issued on an order equal or greater than \$5250.00 before freight and taxes. The BONUS credit is only applied on orders within the five-day requirement. Any other order must be finalized, signed, and paid within 6 months of the date of this agreement to receive the Design Fee credit.
